

CLIENT OF THE MONTH

Kevin and his wife, Angie moved to Myrtle Beach to escape the long, cold winters and higher taxes. They have two amazing children, Hannah and Owen. One of their favorite things about Myrtle Beach is the weather. They are a family who loves to spend time outside. Most of that “outside time” is on the soccer field. They are a “huge soccer family”. Both Hannah and Owen play soccer, but Kevin doesn’t miss out on the action. He invests a lot of time on the sidelines coaching. They just recently returned from Dallas for a regional tournament.

When not on the soccer field, they enjoy exploring the MANY local restaurants in the area. If it is a family night out, then Sol Y Luna is one of their favorites. A date night for Kevin and Angie might likely take them to 21 Main.

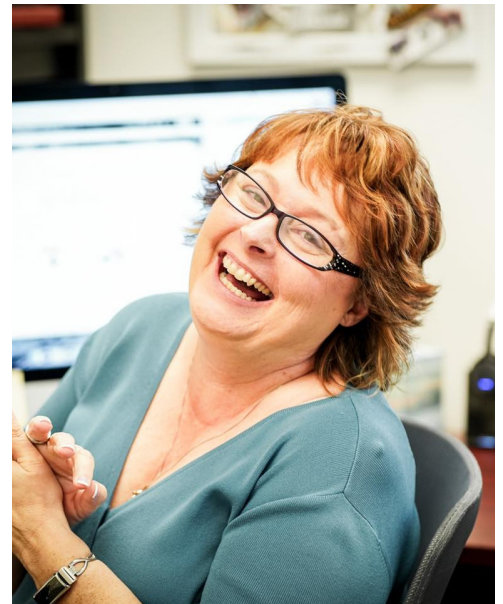

Kevin and Angie have bought and sold several properties with our team during their time in Myrtle Beach. One of their favorites things about our team is the several events that we have throughout the year for our clients. They enjoy being around our team that “have become family”.

We are thankful for our clients, Kevin and Angie and the trust that they have given over the years. Making our clients feel like family is a huge goal and compliment for us!

SPOTLIGHT TEAM MEMBER

Meet Robin Farmer, one of our team members that have been with us for 9 years! Her title is Closing Department Supervisor, but she wears many hats that keep our team running smoothly and our clients happy!

Robin moved to Myrtle Beach not long after some of her family made the move here. She couldn't be happier that she made that decision 29 years ago. She loves that there is always so much to do in Myrtle Beach. One of her favorite things is spending the day strolling through Brookgreen Gardens.

Robin enjoys spending time with her husband Bill, son Jacob, and soon-to-be daughter-in-law Nikki exploring the many wonderful restaurants on the Grand Strand. Some of her favorites are Margaritas, Driftwood, and Dead Dog Saloon.

If you talk to Robin long enough, you will learn that she loves football! Her favorite team is the Washington Redskins and all-time favorite player is #44 The Diesel- John Riggins!

Robin's favorite memory of being on our team, is when we had a Chili Cook-Off at our office. We invited our vendors and clients to be the judges. It really was a good time!

We couldn't be more thankful for all that Robin does for our team.
