

SPOTLIGHT TEAM MEMBER

Meet Robin Farmer, one of our team members that have been with us for 9 years! Her title is Closing Department Supervisor, but she wears many hats that keep our team running smoothly and our clients happy!

Robin moved to Myrtle Beach not long after some of her family made the move here. She couldn't be happier that she made that decision 29 years ago. She loves that there is always so much to do in Myrtle Beach. One of her favorite things is spending the day strolling through Brookgreen Gardens.

Robin enjoys spending time with her husband Bill, son Jacob, and soon-to-be daughter-in-law Nikki exploring the many wonderful restaurants on the Grand Strand. Some of her favorites are Margaritas, Driftwood, and Dead Dog Saloon.

If you talk to Robin long enough, you will learn that she loves football! Her favorite team is the Washington Redskins and all-time favorite player is #44 The Diesel- John Riggins!

Robin's favorite memory of being on our team, is when we had a Chili Cook-Off at our office. We invited our vendors and clients to be the judges. It really was a good time!

We couldn't be more thankful for all that Robin does for our team.
